

COVID-19

Daily Self-Screening Questionnaire

Review this COVID-19 Daily Self Screening Checklist daily before coming to campus or leaving your residence hall. **If you reply YES to any of the questions below, STAY HOME and notify your professor that you will not be in class.**

- Do you have a fever (temperature over 100.4° F or 38° C) without having taken any fever-reducing medications?
- Do you have a loss of smell or taste?
- Do you have a cough?
- Do you have muscle aches?
- Do you have a sore throat?
- Do you have shortness of breath?
- Do you have chills?
- Do you have a new or unusual headache?
- Have you experienced new onset of any gastrointestinal symptoms such as nausea, vomiting, diarrhea, or loss of appetite in the last few days?
- Have you, or anyone you have been in close contact with, been diagnosed with Covid-19 or placed in quarantine for possible exposure to Covid-19 within the last two weeks?
- Have you been asked to self-isolate or quarantine by a medical professional or a local public health official within the last two weeks?
- If you reply YES to any of the questions on the checklist, stay home.

If you begin to feel ill while on campus, you should immediately go home.
If possible, avoid all public transportation or ride sharing.
