Crime Log Disposition Definitions:

The following is an explanation of the terminology used to complete the Disposition section of the Crime Log:

- Active: The case is currently being investigated.
- Campus Conduct System: The case has been referred to the University of Sioux Falls conduct system through the Director of Student Life office or other internal University disciplinary follow up.
- Cleared by Arrest: The Sioux Falls Police Department or other local law enforcement entity has issued a citation or made an arrest for at least one violation or incident involved in the case. If an incident involved arrest and a referral to the campus conduct system, it will show as 'Cleared by Arrest'.
- Closed: No further investigative action is required.
- Inactive: The case has not been closed, but there is no active investigation being done.
- Unfounded: The case is determined through investigation to be false or baseless by the Sioux Falls Police Department. No offense occurred nor was attempted.
